Summer Newsletter (2020)

Team B - 7th grade

Welcome back!

Hello Team 7B students and parents! We hope you all had a fun and relaxing summer! We wanted to introduce ourselves and give you some important information to make the transition back to school a little easier. We are looking forward to an exciting 7th grade school year with you!

School Supplies:

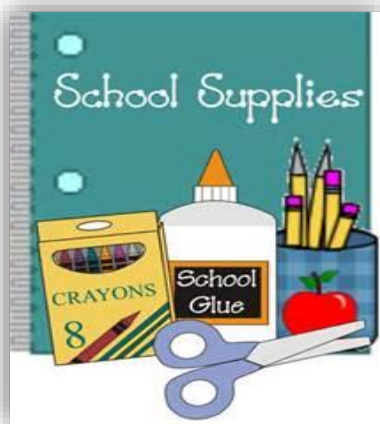

Here is a link to suggested supplies for 7th Grade -

https://docs.google.com/document/d/1yqTHfiQssyab2I-cUzK_Rq1Vb3n3gNdRLxw8_gtdX8/edit

Important notes:

MASKS are required to be worn over the nose and mouth while in the school building!

***Students may NOT share materials, so make sure you have your own supplies.**

Important Information:

First Day of School: Tuesday, September 8th

Infinite Campus:

Please visit Infinite Campus for access to important information about your child's assignments and grades. Here is the link:

Meet your teachers!

Mrs. Benway..... Language Arts

Mrs. Rapp..... Science

Mrs. Atwood..... Geography

Mr. Fusco..... Math

L to R: Mrs. Benway, Mrs. Atwood, Mr. Fusco, Mrs. Rapp

We hope that you all had a great time relaxing this summer, whether relaxing on a beach, hiking a mountain, or reading a book. We also enjoyed our time off, but we have also been very busy preparing for meeting you in September.

There are three teams this year in seventh grade: Team A, Team B, and Team W. **You will be members of Team B.** Each team has about 90 students, so there will be tons of people to add to your list of friends!

So you can get to know us a little better, we would like to tell you a few things we did over the summer...

Mr. Fusco spent a lot of time working around his house and relaxing outdoors. Fun fact: He loves animals, especially dogs. Check out his picture wall of dogs in the classroom!

Mrs. Rapp spent some time in Chatham, Cape Cod. She also went on her annual hike through the Adirondacks to find animal bones. Make sure you check them out in her classroom! Fun fact: She loves penguins and the color pink.

Mrs. Benway spent a lot of play time with children, Avery and Dylan. Fun fact: She grew up and went to school in Fairfield just like you!

Mrs. Atwood is our team athlete extraordinaire, and plays in several doubles volleyball tournaments. **BIG NEWS:** Mrs. Atwood is expecting her first child! Fun fact: Her favorite sports team is the NY Rangers.

Although the school schedule will look a bit different this year, school will still be a blast! Science has some great activities including a few "mysteries" to engage curious minds. Geography will make great connections to current events that affect you, which you may end up writing about in Language Arts. Decimals, fractions, and percentages are on the schedule for math. Enjoy the last few of days of summer. We are all excited to meet you on September 8th.

Sincerely,

Mrs. Rapp, Mrs. Benway, Mrs. Atwood, and Mr. Fusco
